

# 1994-1997 Honda Accord Muffler Replacement

A video tutorial on how to change a muffler on a 1994-1997 Honda Accord.

Written By: eCuration

## INTRODUCTION

If you are experiencing misfiring, loud exhaust sounds and or condensation from the exhaust pipes, then it may be time to replace the muffler.

This replacement can involve specialized tools such as an acetylene torch or angle grinder if your undercarriage is heavy rusted.

Follow this video tutorial by YouTuber [Bushougoma](#) to complete the replacement yourself.

## Safety

If this is your first time working on a vehicle read our [safety tips](#) before proceeding.
